Foreword

In telling this story, which is forever the same yet always different, the staff has attempted to bring back the memories of the activities and organizations of the 1956-57 school year which will "never" be forgotten.

We have selected "Mr. Parrimac" as our theme because he brings out the humor, wittiness, and pathos of our school life! It was here we learned, loved, cheered, daydreamed, wept - and studied . . . From here we go into the unknown. Therefore, in presenting our "Parrimac", we hope it serves its purpose as a happy reminder of all the wonderful times you've had here at dear old Parry McCluer and in the years to come you will enjoy looking back at this annual recalling the days when you were a student here.

The Staff

Dedication

We, the Junior-Senior Class of Parry McCluer High School, proudly dedicate the "Parrimac" to Mr. F.W. Kling, Jr. Superintendent, Principal, and friend. This, year, is one of many in which he has served faith-

fully. He has won our admiration because of the many duties he has performed in school. Therefore, we wish to dedicate this yearbook as a token of our appreciation and affection.

SENIORS

James Bono

James came to Parry McCluer in his junior year, from King Manor, Penn. James was active in the Photography club, and the Auto. club in the school he attended in Pennsylvania.

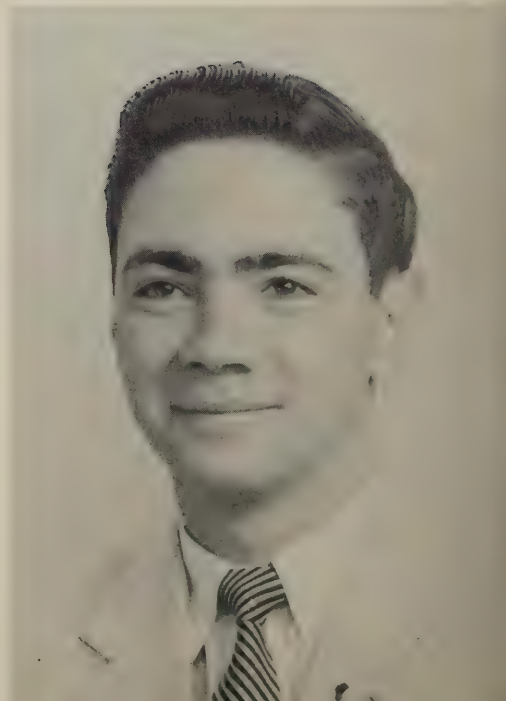

At Parry McCluer, he is active on the annual staff as co-editor and he was attendant escort in the Christmas Parade.

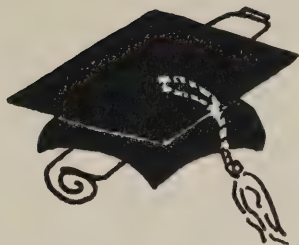

James is very well liked by everyone, and has a very pleasing personality.

Mac Felts

Mac came to Parry McCluer in his freshman year from Natural Bridge. He is very active in football, baseball, and basketball. Mac is also in the Beta Club and Monogram Club, and is active in church and social groups. He was one of the attendants for our annual Homecoming Day, along with being an escort in the Christmas Parade. Mac is also sports-editor of our annual.

Mac is very well liked by everyone. If you want to find Mac just look where a bunch of girls are, and there he will be right in the middle of them.

Jo Ann Payne

Jo Ann moved to Buena Vista in her junior year, and was welcomed by all because of her pleasing personality. She has become a very important part of Parry McCluer and she is active in many clubs; Library Club, 56-57, Co-editor of our Parrimac, and Vice-President of the Junior-Senior class, and the football team chose her to be queen her senior year.

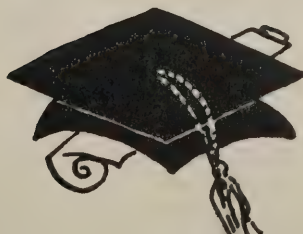

To find Jo Ann, go to Seay's or where there are N.B. girls. Her favorite pastime is loafing.

Ronald Shrader

Ronald was in the art club in 55, and was business manager of our annual. He was also Christmas attendant escort in the Christmas Parade in 1956.

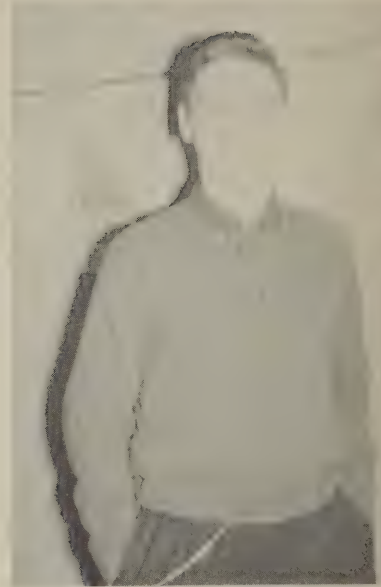

Ronald is a very likeable guy, and is always willing to help you. Both students and teachers alike are fond of him. He is better known around Parry McCluer as "Red".

THE PROPHECY

Today is June 2, 1975. As I sit here in this - the new Parry McCluer High School, I am watching my seventeen year old son graduate. The new high school is one of the largest in the United States: it covers twenty city blocks. The new high school is located just south of Enderly Heights, where the old Mountain View Drive-In used to be.

Buena Vista has grown into a thriving city with a population of 51,000, and is one of the world's leading manufacturing centers. As I sit here in this huge auditorium my mind wanders back to the year 1957, when I graduated. Our class consisted of only four members, one of the smallest that Parry McCluer has ever known.

There was Mac Felts - Mac was always talking of football, even in government class. When Miss Glass asked him how many Senators there were in the Senate, he said "50 yards." Well, Mac went to a small college in Virginia, and now is head football coach at Southern Seminary right here in Buena Vista. Then there was Ronald Shrader - he was always passing out chewing gum in class so you could get 6 demerits. When finally you would get your mind on the books, someone would punch you in the back. Then you would know Ronnie was handing you a piece of gum. Maybe that was what gave Ronnie his start, for now he owns the largest chewing gum factory in the world. And there was James Bono - James was forever doing something in the chemistry laboratory. One day there was an explosion in the lab. After the smoke cleared away there lay James on the floor with a bottle of Sulfur in his hand. Now he is one of the leading scientists of the earth, not to mention the other planets. Just a few weeks ago in one of the leading newspapers I read that Dr. James Bono had discovered a new vitamin pill for in-grown toe-nails. As for me, I remember cutting up frogs in the Biology lab. That was when I decided I wanted to be a surgical nurse. I am now working at the largest hospital and nursing school in Virginia, the Buena Vista Hospital, along with taking care of my family.

Suddenly my husband gave me a nudge, and I came back from my thoughts and dreams of my high school days. Looking up at my son, I wondered if he had had as good a time in high school as I had. Of course he rides to school in a 1975 Space Cadet car, while we just had a measley old 1937 hot rod.

LAST WILL AND TESTAMENT

We, James Bono, Jo Ann Payne, Mac Felts, and Ronald Shrader, class of June 1957, being of sound mind and good health declare in writing its last Will and Testament.

To future students, our names elegantly carved on the desks.
To the FRESHMAN, four whole years to go.
To the SOPHOMORES, the scotch tape that held our books together.
To the JUNIORS, the wonderful thought of being Seniors.
To the CHEERLEADERS, more powerful lungs.
To the BAND, new music.
To the SENIORS, Finals with questions and answers.
To the CAFETERIA, foot-long hot dogs.
To the SENIOR TREASURY, our emptied pockets.

STILL OF SOUND MIND, WE LEAVE:

To the ENGLISH DEPARTMENT, all our worn-out run-on sentences.
To the ART DEPARTMENT, modern interpretations.
To the TYPING AND MATH DEPARTMENTS lots and lots of erasers.
And to the PARRIMAC, good pictures every time.
But most of all to Parry McCluer High School all our dreams and the memories of happy and education-filled days within its walls.

HIGHLIGHTS OF 1956 FOOTBALL

The 1956 football season was high successful as far as most people were concerned. The Fighting Blues posted a season record of 5 wins, 2 losses, and 2 ties.

The Blues behind the fine leadership of Co-Captains Bobby Williams and Ronnie Wheeler played brilliant ball to be as young and inexperienced as the club was. The squad opened with a seven-seventie with Staunton. From there the Blues coasted to wins over Wilson Memorial, V. S. D., Buchanan, and Central. In the V. S. D. game fullback Vernon Staton scored four touchdowns and an extra point for his high game total of the year. In the Buchanan game Senior quarterback Mac Felts threw three touchdown passes. He had 11 for the year.

The Blues surprised everyone by tying Waynesboro 6-6, then gaining an easy victory over Clifton Forge. The Blues bowed before the powerful Rockets of Natural Bridge and Lexington's Scarlet Hurricanes. The season was still a big success and the Blues should be even better as they lose only one member from the past year's squad. Get out and back your team because it has the makings of District 5 Champions.

BAND AND GLEE CLUB

Our band is seen at all the football games and in many parades both at home and away. They participate in the District festival and all-state band. A fine showing is always made by the 'biggest little band' in Virginia.

In the fall they went to Charlottesville to participate in the U. Va's first "Band Day." Bands from over the state were invited to play at the game which saw U. Va. play V. M. I. in football.

Possibly the greatest thrill was a three day adventure to Bristol, Virginia - Tennessee to participate in the Southwest Bank Festival. The band was housed in private homes and enjoyed the comforts of home.

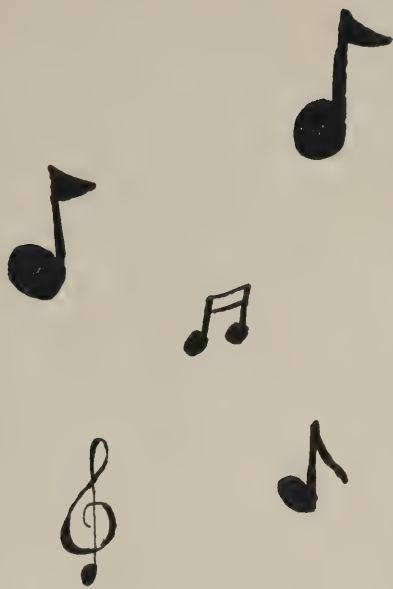

They had the privilege of seeing some of the finest marching bands in the United States. Some forty thousand people saw the 'big little' band from Buena Vista During the two hour parade which preceded the field shows.

HIGH SCHOOL GLEE CLUB

Every year the glee club participates in All-State Chorus and Districts Festivals. A selected few are chosen for all-state on the basis of their ability and the need for such voices in the chorus. Our glee club travels every year to the District Festival in which all choruses from our district compete against themselves in performing musical works.

Fancy-looking, high stepping and pretty describes the majorette corps of Parry McCluer. Thousands of people have seen their precision military marching and "boogie-beat" routines at football half time shows and parades.

As we Juniors and Seniors are gathered here tonight, we are trying to rush through getting our yearbook finished in a hurry.

I have never seen so many of the gang here at one time. It looks like every one wants to help, but there isn't enough work to go around. Ha!

Poor Miss Shaner is just about to go crazy. Every one is going around like a chicken with their head cut off.

Pete and Bobby look so industrious, but I think they are just playing the role. Ronald is now going around taking orders for drinks, such as: cokes and pepsi's. Wayne is going from person to person trying to find something to do, and Jean and Irene are trying to type a little bit. Well, Florence just came and parked herself down beside Carolyn and I. Nancy, Betty Jo, and Martha Ann, and Marilyn are over at the next table just having a fit over something, don't tell anyone, but I think it is over a page in the yearbook. Isn't that funny?

Mac and Miss Shaner are up at the desk doing the dummy. in other words the book. Wayne Garrett and Billy are budding artists at work doing the art for the book. Ruth, Clyde, Maxine, and Sandra are having a fit cutting up snapshots over there. Jo Ann and James are just refereeing! Pat, Mary Ann and Barbara are having a fine time playing records. Will we ever get the book together?

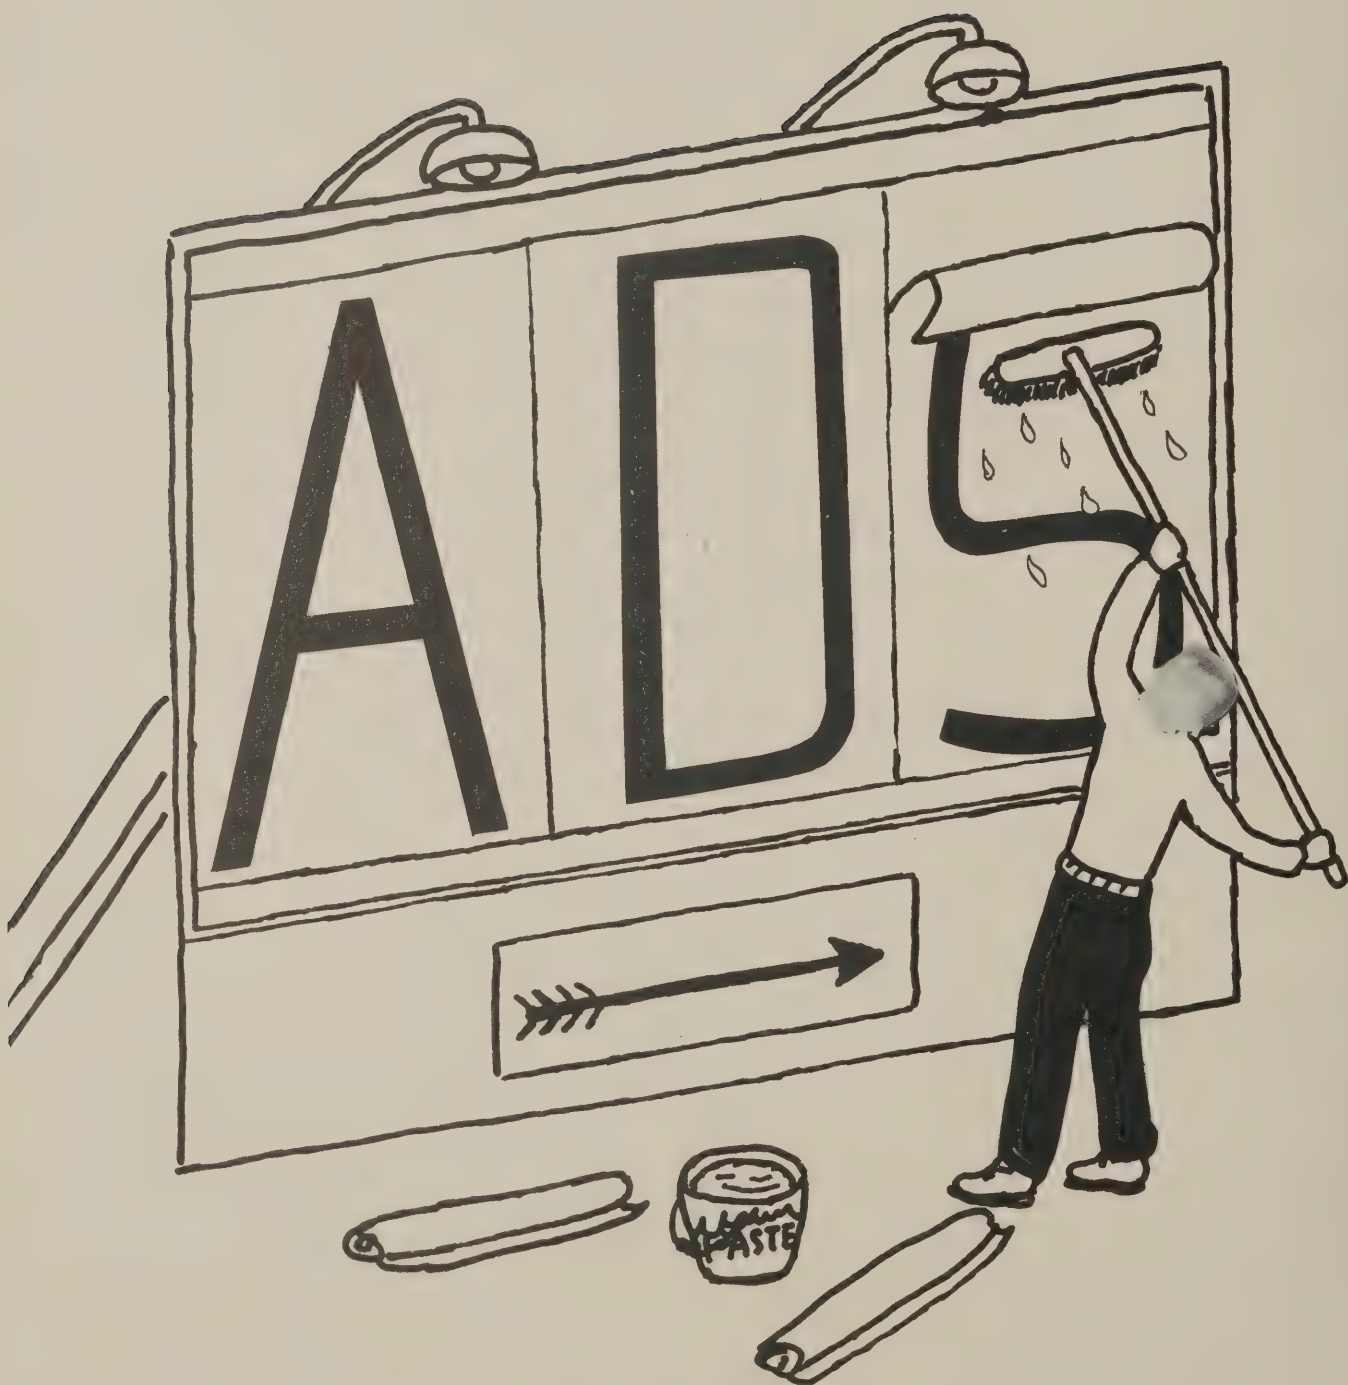

Well, I guess it is time to sign off now, so here I go.

Susan Loughhead

P. S. We all appreciate the work Mr. Turner did on the photographs for us.
